

Kit List

Parents need to involve younger children and older children need to involve parents in the packing process to ensure they pack only what they need and are allowed to bring.

Our location on Dartmoor means that the weather can be unpredictable and change quickly.

Top tips for packing

- **Involve** younger campers in packing so they learn how to pack and can see what they are taking with them
- **parents** ensure you check your children are not bringing things they shouldn't
- **Write names** on **everything** so that we can return lost property each day
- **Do not bring** mobile phones, music players, computer games, jewelry and fashion clothes
- **Bring a single duvet cover** (pillows, single duvets and bed sheets are provided)
- **Practice** fitting a duvet cover before arriving
- **Casual, warm** clothes are most useful. If clothes get wet they can be dried in the drying room. (We encourage youngsters to reuse dried worn clothes!)
- **Don't Forget to bring wellies**
- **Pocket Money** - £10 would be sufficient as there won't be much opportunity to spend it.

Avoid bringing

- **Jeans** - they are not suitable for activities - they keep wet, and make you colder
- Sleeping Bags [WITH THE EXCEPTION OF UPPER CAMP]
- Aerosol deodorants or other sprays. Roll-on and stick deodorants are fine.
- Food
